Dimitris **MICHOPOULOS**

VP, CEO Clubs Greece
Founder, GENIUS & CRAZY

With 30 years of CEO, management & mentoring experience, Dimitris Michopoulos is a recognized results driven edifier, distinguished for his business thought leadership & international proven track record in proficient crisis management.

Known for his unwavering focus on boosting & maintaining sustainable, profitable growth in both private & public organizations, he pioneered in changing attitudes & perceptions in the workplace. Viewed as a business thought leader and skilled communicator, Dimitris was able to articulately teach & convey the importance of wisdom in creativity enabling him to consistently build & energize senior-level teams through motivating & stretching their minds, encouraging & daring them to think intellectually, deeply, differently & purposefully, beyond their limitations & always in one direction: Forwards.

A provocative thinker & thought igniter, Dimitris presently works alongside eminent leaders from across the globe, possessing the innate ability to aid & guide them in unfolding and objectifying their vision along with building their individual future-proof personal brand. The founder of the 'Thought Creativity Theory', Dimitris is a prominent inspirational keynote speaker appearing at events attended primarily by Leaders, CEOs, Business Owners and Opinion Makers. Seeking to teach the importance of Wisdom in Creativity & motivate leaders to look beyond their limitations & move forward, his talks center on igniting prosperity & challenging the status quo.
